

To whom it may concern.
Subject: Cooperation Proposal Letter.

Dear Sir/Madam,

The «ITS CENTER LLC» (ООО ИТС ЦЕНТР) company was founded in 2008, and is located in Podolsk city/Moscow Region/Russian Federation. The trade of industrial and agricultural tires is the main business activity of «ITS CENTER LLC».

Within fourteen years of active business operations, the company was able not only to grow in staff and sales volumes, but also increased its product range by new promising sales products - special tires, such as tires for ATVs, tires for forklifts, tier wheels and filter elements for industrial and agricultural machines.

The company currently employs 30 employees and has a successful sales track record, firmly occupying a leading position in the highly competitive business sector. Along with the main warehouse in the city of Podolsk, the company also has several regional warehouses for better coverage of sales territories.

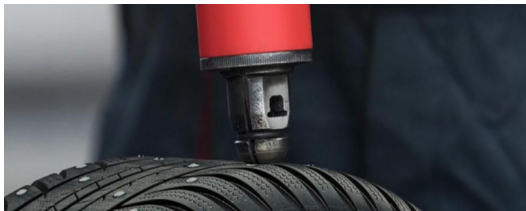

OUR REGIONAL WAREHOUSES:

Krasnodar city, Dzerzhinskiy str. 98
Voronezh city, Otlichnikov str. 1

Saint Petersburg city, Emelyanova str. 10
Yekaterinburg city, Prokhladniy settlement, Vesovaya str. 6 g.

The company is very actively using the online store to increase sales and to provide quick services to its customers, please visit our website: <https://its-center.ru>

In addition to the main business - supply of special tires, «ITS CENTER LLC» provides also following services to its customers:

Studding and slicing of tire tread for special forklifts

With our experience and knowledge we can select tires for our customers for any type of special equipment and different operating conditions.

Installation of solid tires and pneumatic tires

We offer to use the services of our high-quality professional team. Experienced craftsmen will promptly perform the dismantling, installation, replacement of your special machine's wheels, considering all requirements and standards.

Delivery of goods across the Russian Federation

In the ITS-Center online store, you can buy tires and wheels with delivery by a transport company or buy tires by pickup.

Throughout the years of operation, the main suppliers for «ITS CENTER LLC» were Chinese tire manufacturers. Today we are diversifying our business and looking for a reliable supplier/manufacturer company in Turkey.

Many thanks for considering our proposal letter for cooperation and hope to establish long-term and win-win partnership between our organizations.

Sincerely yours,
Vladimir Anatolyevich Tsykhonya
General Director / «ITS CENTER LLC»
