## Company advantage:

Maker/Manufacturer: Xinxiang Lifeierte Filter Corp., Ltd.  
Complete products, producing filter accessories and filter  
More than 13 years of export trade experience

## Advantage product:

Oil filter equipment  
Air purification equipment,  
Seawater desalination equipment  
Liquid treatment equipment

Xinxiang Lifeierte Filter Co., LTD. (Stock Name: Xinxiang Filter, Stock Code :837936, Trade Mark: LEFILTER)

is located in Xinxiang, China famous filtration city.

LEFILTER has 230 employees, including 9 senior engineers and 22 senior technicians, specialized in the production Of filters, filter elements, filtration equipment, filtration testing equipment, hydraulic equipment, dust removal equipment, air purification equipment, seawater desalination equipment, sewage treatment equipment, environmental protection special equipment. LEFILTER has the perfect management system, put the quality and technology innovation as the development foot-stone, has through the ISO9001, ISO14001, ISO45001 and CE certificate.

LEFILTER is remarked as the high and new technology enterprise, intelligent fluid purification engineering technology research center in 2018.

Our products are mainly used in petrochemical, metallurgy, electric power, paper making, mechanical processing and other fields.

LEFILTER has more than 20,000 global strategic partners located in 78 countries, with extremely high market share.

Up to now, LEFILTER has 2 invention patents, more than 100 utility model patents and 24 registered trademarks.

LEFILTER mission is purify the environment, serve the society, integrity management, the pursuit of excellence.

In December 2006, LEFILTER was awarded the well-known trademark in Xin Xiang.

## Certification

LEFILTER has the perfect management system,  
put the quality and technology innovation as the development foot-stone,  
has through the ISO9001, ISO14001, ISO45001 and CE certificate.

## Customer visit

Lefilter manufactures oil filters, air filters and water filters, supplying for metallurgy, petrochemical, power plant, paper mill and other industries. With over 50,000.00 clients, more than 70 countries all over the world.

Lefilter adheres to "purifying the environment, serving the society, operating with integrity, pursuing excellence". We vigorously promote the spirit of "unity, pragmatism, dedication efficiency and innovation" and strive to feedback the world with green grasslands, beautiful mountains, clear rivers and blue sky!

## Partners

FAQ:

Q: Are you a manufacturer or a trading company?

A: Manufacturer with our own factory.

Q: What is the method of payment?

A: Usually, we accept payment by T/T, L/C, western Union, Paypal and Alipay. Other terms of payment depend on the circumstances.

Q: How long will it take you to deliver?

A: Spot goods will be shipped within 3 days.

Large quantities of goods need to be confirmed through negotiation.

Q: Can I buy a few for my initial order?

A: Yes, we can accept trial order before official orders.

Q: Can I get some free samples?

A: Of course. Sometimes, we can provide you with free samples, but you should pay the express fee.

Q: How Do We Ensure The Quality Of The Products After Placing The Order?

A: Before delivery, we will send you pictures, videos and test report of the filters for you to check. You can also arrange the quality check by yourself or through your contacts in China.

We're a public listed company in China, top supervised the third-party, our stock code No.: 837936.
